

Notes on: VAN NYMEGEN SCHONEGEVEL

Explanation of the addition of "Van Nymegen" to the "Schonegevel" family.

Refer to ancestor No. 2 on the family chart: Herke Schonegevel.

Herke Schonegevel married Aagje KUIJPER. Aagje KUIJPER has a sister Maartje KUIJPER whose descent is as follows:

- I. Maartje KUIJPER Born: 1739. Died 1815  
married  
Elias van Nymegen Born: 1734. Died 1801  
(has issue 1 child):-
- II. Dionys van Nymegen Born: 1779. Died 1803  
married  
Johanna Ida Van Stolk Born: 1782. Died 1847  
(of this marriage there was no issue)

You will note by referring to the family chart the following:

Maartje KUIJPER (Mrs. Elias van Nymegen) was the sister-in-law of Herke Schonegevel (No. 2 on the family chart). She was the aunt of Taco Schonegevel (No. 3 on the family chart) being his mother's sister. She was the great-aunt of Pieter KUIJPER Schonegevel (No. 4 on the family chart). She was the great-great-aunt of Dionys van Nymegen Schonegevel (No. 5 on the family chart).

She was, of course, a blood relative as had the same parents as Taco Schonegevel's mother: Aagje KUIJPER.

Maartje KUIJPER's son was Dionys van Nymegen. He was 1st cousin to Taco Schonegevel and 2nd cousin to Pieter KUIJPER Schonegevel. If he had not died so early in life he would have been 3rd cousin to Dionys van Nymegen Schonegevel.

It may be assumed that Pieter KUIJPER Schonegevel 1786-1869 was a good friend of Dionys van Nymegen 1779-1803. Since Mrs. Elias van Nymegen outlived her son, it also may be presumed that she left her inheritance to her grand-nephew, Pieter KUIJPER Schonegevel. Therefore, in her honour (she died in 1815), Pieter KUIJPER Schonegevel named his 3rd son (the first two were named after their grandparents) Dionys van Nymegen Schonegevel-- honouring both his great-aunt and his 2nd cousin.
